PRESIDENT JASON SCOTT

Hello Mini Lop Friends:

I hope this article finds everyone with full next boxes and warm homes! It was a quick fall for me after moving and taking a new job. I love the new job and being nearer my family has been a blessing. It was perfect timing also, cause shortly after moving my brother suffered a heart attack and I have been able to be around and help with the things that follow a life event like that. The bunnies have settled in and are doing fine and I have several litters in the boxes and I am hopeful there are some winners. The new job is great also, learning something new everyday and enjoying it.

The area shows have been fun and living in northern Indiana I have been able to attend several Michigan shows. I have to say that the Michigan Mini Lop group is a fun bunch, and are very supportive of this club that the hobby. I was fortunate enough to be able to help out one of the Michigan Mini Lop families by donating a little broken buck to a silent auction that was able to raise over \$800.00 for the family who is in a time of need. That is what this hobby is truly about, building friendships and family away from the "real world" and supporting each other during the hard times.

Conventions has come and gone. It was another successful event with a huge number of Mini Lops shown. I think that goes to show how committed we are as a group of people to come together and stay together despite the current two club situation. There were many high quality animals at the show and I would like to congratulate the winners on a job well done. Anyone who has put the time in to breed and cull hard knows what placing an animal at that level or winning a class is all about. The big winners were Sara Kitsemble with

a very nice solid senior buck for BOB (a black to boot) and DRD with a broken senior doe for BOS. Again, congratulations to everyone who attended, keep up the good work!

Other convention news... The board again was hard at work trying to fix the mistake that the ARBA made when they pulled our charter. We spent most of the convention running from one meeting to another in hopes to get some sort of resolve. I have to say that I hate meetings, and would like to report to all of you that we have a final answer, and in a sense we sort of do... I'm not going to hash that out here as I know that it is going to be brought up by others on the board. I will however, answer any questions that you have by phone, email, or in person.

I also want to take a moment to thank everyone that made the Convention a success. I'll mention a few, but know I miss some. Kevin Rugen for his great job with the booth, Kassi and Robert for the Banquet, Chris for his awesomeness as a CJ for the awards banquet, Kelly for sitting endlessly in the booth, the writers, runners, and those who put the show on! It was fun and I'm ready to go back again without the meetings.

I hope that everyone has a great winter and old man winter isn't terrible to us with lots of snow (just enough to have a white Christmas and a few days off school). Till the spring shows start...bred hard and cull harder.

Yours Truly,

Jason Scott

VICE PRESIDENT

Tracy Harmon

I'm not even sure where to begin, but sayings like "no one said life is fair" or "the good guys always finish last" keep popping into my head. During the ARBA Convention in Wichita Kansas, while trying to negotiate solutions to the MLRCA/AMLRC/ARBA situation which unfortunately led to very little progress and took an enormous amount of time away from family, friends, and rabbits; the aforementioned phrases were never so engrained into my being. Convention started with a meeting that really ended in no good news for the MLRCA, with many meetings during the next few days with much the same result. In all, it seems to boil down to... ARBA has made an enormous mistake but they are not willing to "get involved" in club business any longer, as all national specialty clubs are autonomous (self-governing) now. Even though they were to be self-governing when our charter was revoked. Originally, the ARBA Board required the MLRCA Board to accomplish 4 tasks to be completed prior to the date given. All 4 tasks were completed, yet ARBA revoked the MLRCA charter because they questioned the validity of the MLRCA removing an officer by email and teleconference vote, not because the requirements were not accomplished. ARBA and the AMLRC say it is all in the past, water under the bridge, yet it is the past, present, and future of our beloved breed and club that has been affected.

The AMLRC will be asking their membership to vote if they would like to extend a free 1 year membership to all of our members into their club to begin a "merger" so to speak. The MLRCA would also like input from our membership. What do you, the members want? Our choices are, to join the AMLRC because it is the ARBA chartered club; continue with the two separate clubs, one being the MLRCA continuing as a national hobbyist club and the other, AMLRC the ARBA chartered club; or continue a legal battle that

will deplete our treasury and most likely force the MLRCA to fold as any club? I can tell you that this entire process has taken its physical and emotional toll on many involved but the Board is willing to continue in which ever way the membership would like to proceed. Please contact any and all of the Board and directors to give your input.

Even with all of this drama, the Wichita, KS convention produced the largest Open number of Mini Lops ever! Anyone who was lucky enough to place animals in the top half of these enormous classes that were deep with quality should be very proud, what an accomplishment! BOB in Open was awarded to Sara and James Kitsemble and their fantastic black solid senior buck, Antwan. BOS went to DRD Rabbitry (Ron King, Dody Haughy, and Deb Pitsch) with a stellar and finished to the hilt broken senior doe. In Youth, Dillon Wauthier had BOB with a stunning broken junior doe and Ty Brakhage had BOS with an incredible broken senior buck. All fantastic Mini Lops! Congratulations to everyone.

There are so many people to thank for all of their hard work and efforts and I know I will forget some-one, so please accept my apologies. Kevin Rugen for all of his creativity, decorating, and transporting for the phenomenal MLRCA booth; Kelly Hansen for sitting countless hours in the booth; table help, ramrods, and runners; auction help, donators, and purchasers; special thanks to Karin Vail for making the exquisite Mini Lop quilt; Kassi Sieber for the great banquet facility and help wherever and whenever needed; the Board and directors for spending yet another convention in meetings which is absolutely no fun; thanks to anyone and everyone who attended, cooked, shopped, and promoted our Friday evening meet and greet; our judges; and most of all, a heartfelt thanks to our members for their continued support of the MLRCA and it's officers and directors.

SECRETARY

Kelly Hanson

Hello Members!

I hope this Advocate finds all of you with lots of gorgeous babies in the box, and promising juniors on the table. It has been a whirlwind of a fall for the MLRCA. I cannot begin to express the joy I felt in meeting so many of our members, putting a face to a name and chatting. Our week in Wichita was so quick, there is never enough time to spend with my Mini Lop family.

The MLRCA/AMLRC merger was not the success we had hoped for, and I admit, I left convention feeling a bit crushed. I wanted so badly for our "family" to be fully reunited, and for all of us to move forward together, and stronger. I, as well as many others on the board, are still hopeful for a change, one that will benefit all members. I cannot express my admiration for Chris DeSurra, Tracy Harmon, Kassi Sieber and Robert Laughlin. During the week at Convention, anytime I needed anything, they were always right there to help. I also want to thank Lisa Davis & Bonnie Bolen for being such amazing ladies, and Nikki Mencsik for agreeing to join our rag tag group.

Just recently, my own Michigan Mini Lop Club did something amazing, and yes, I am going to brag. We found out a members family was going through some hardships, and within hours we had all been in contact via text message. We all had ideas for how to raise money, but it came down to a silent auction. I am so proud to say our members donated, or purchased items to raise almost \$800. I consider myself so blessed to call this group of people my friends, and more importantly my family.

I hope that all of you are planning on attending the MLRCA nationals in Kentucky. I am hoping I'll get to see everyone I met in Wichita, and meet lots more members. Wishing you a happy and healthy holiday season and new year!

INTERIM SECRETARY/TREASURER

Pam Celesnik

A heartfelt thank you

is extended to Kelly Hansen for her service to the club this past year. Regrettably, Kelly stepped down because of family issues. Pam Celesnik will be serving as Interim Secretary/Treasurer until we can find a full time replacement for the position. If you know of anyone who might be interested in this position, please contact me at jasonmScott1977@yahoo.com. Jason Scott, president

On Sunday, 1/20/2013, at 12:12 pm (CST) ML-RCA President, Jason Scott, called a teleconference meeting to order.

Vice President Tracy Harmon, Directors, Lisa Davis, Kassi Sieber, Pam Celesnik, Bonnie Bolen, Theresa Farrow, and Stephen Trent answered roll call. Kelly Hansen, Chris DeSurra, and Nikki Mencsik were absent. Robert Laughlin, Webmaster, and Rick Schmidt, Constitution committee chair, attended per request of the Board.

First order of Business was the Secretary/Treasurer Position. After speaking with Kelly, Jason informed us she would be stepping down as family issues were consuming too much of her time and she was unable to perform her secretary/treasurer duties any longer. Stephen Trent will contact Charlene Everette and see if she would be interested in this voluntary position. I informed the Board I would accept an interim position, as I could not guarantee a long-term commitment. Issue tabled until we get a response from Charlene

Second order of business: We discussed some constitutional changes such as electronic voting. Rick Schmidt, Constitutional committee chair, joined the meeting at 12:40 pm (CST). He is working on changes to our constitution allowing electronic voting, meetings, and other club business.

Third order of business The Advocate: Board members will print a copy of The Advocate, at their own expense, upon request of members in their district. This is our "Adopt a Member Plan." Rick Schmidt informed us that our constitution does not state we have

to have a hard copy of the Advocate. Jason Scott will prepare a letter to the membership regarding our decision.

I moved to provide only online issues of The Advocate including the "Adopt a Member" plan and Tracy Harmon seconded the motion. We then decided a motion was unnecessary, as this was not a constitutional Issue. Motion failed. Tracy -nay, Lisa -nay, Pam -nay, Kassi -nay, Bonnie- Nay, Stephan- Nay, Theresa -Nay.

The consensus was to provide online issues of The Advocate in lieu of mailing it. President Scott requested a roll call vote. Lisa- Yes, Tracy- Yes, Bonnie - Yes, Pam- Yes, Kassi -yes, Theresa -Yes, Stephen- Yes I moved to enter Executive session and Tracy Harmon seconded the motion. President Scott extended an invitation to Rick Schmidt and Robert Laughlin.

Motion made by Tracy Harmon and seconded by Theresa Farrow to go out of Executive session. Tracy Harmon moved and Theresa Farrow seconded the motion to accept Pam Celesnik as our interim Secretary/Treasurer until another interim or permanent Secretary/Treasurer could be located. Roll call vote: Lisa-Yes, Bonnie- Yes, Pam- Yes, Kassi -Yes, Theresa - Yes, Tracy -Yes Motion passed.

Motion was made by myself and seconded by Lisa Davis to appoint Rusty Westoff as District Director. Roll call Vote: Tracy - Yes, Bonnie- Aye, Pam - Yes, Kassi -Yes, Theresa-Yes .Lisa -Yes M/C

Tracy Harmon moved to temporarily adjourn and following a second by myself the M/C. We decided to reconvene on Tuesday, January 22, 2013 at 7:30 pm CST, via teleconference, to work on the budget. President Scott temporarily adjourned the meeting at 2:27 pm CST.

Respectfully submitted,

Pam Celesnik, Interim Secretary

District 4 Director – Theresa Farrow

ARBA convention was a good one. We really enjoyed being able to go this year and get to see old friends as well as new ones. The unexpected warmer weather made traveling from Texas to Kansas much easier. However, I was saddened to hear about the family that had an awful wreck on the way when they hit a patch of black ice, losing one family member.

M.L.R.C.A. members really know how to have a good time. On Saturday night, we had a cookout and covered dish at our host hotel. With plenty of good food, and a large turnout of mini lop breeders and guests. Our banquet was held at a ranch, with plenty of atmosphere. Very nice plaques were given out to all of the show winners, top five sweepstakes winners and district breeders of the year. I really appreciate the efforts of those who made all of this possible.

Unfortunately, efforts of some of our officers to negotiate with the other mini lop club, were unsuccessful. Work continues to try and combine the two clubs into one new club. If or when that happens, just know that the MLRCA is still a strong club.

Welcome new officers; Jason Scott President, Chris DeSurra Past President, and Nikki Mencsik District 8 Director.

Hope everyone has a very Merry Christmas and a Happy New Year!

Theresa

DISTRICT 5 DIRECTOR

Bonnie Bolen

Dear fellow MLRCA members,

I write this article as a very weary director. I attended yet another ARBA National show and spent most of my time in meetings trying to get a little cooperation from ARBA and the AMLRC to rectify a horrible mistake they made when pulling our charter.

What I ended up doing was choking on what we are being forced to swallow if we want to pull both of our clubs together as a whole. The officers and directors of the AMLRC won't give an inch as they have the power in this battle. All we have is some very weary officers and directors who only continue this battle for love of our members and our breed.

ARBA District 5 Director, Dick Gehr, was a liaison between the two clubs in an "unofficial" capacity. He informed us ARBA wouldn't be taking the charter away from the AMLRC as "they are self-governing". We, too, were self-governing, and find it hard to believe our charter could be pulled yet not theirs. In essence, ARBA made a mistake and they are not willing to admit it to their members.

Here is what we asked for: change AMLRC to the MLRCA in order to retain the history of the club; remove the clause restricting officers and directors of the MLRCA from running for office; and ask our constitution chair and their constitution chair to join together and merge both constitutions then present the new constitution to the AMLRC membership for a vote. Here is what they gave us to ponder: join their club. An offer is in the works where they have until January 15, 2013 to decide if they will offer free one-year memberships to all MLRCA members and honor all of our memberships. This would include multi-year and lifetime memberships.

We now need input from our members. Do you want us to accept their offer or continue to pursue legal action until we no longer have any money in our treasury? We are weary of having the mini lop exhibitors standing on two different sides. In order to bring us back to one united national mini lop club, our only choice is to join the AMLRC and try to make changes in their constitution that would be fair to all of you.

I know this article seems biased and I apologize for that. I have been fighting this battle for numerous years and I am weary. I will, however, do what you ask of me and I will fight for what the MLRCA members want. I will swallow my pride and join the AMLRC in order to continue to fight for what is best for all. I firmly believe the charter will, one day, be back in the hands of the beloved MLRCA. What do you think?

Contact me at doubleb10@frontier.com and let me know your opinion before we hear from the AMLRC in January. Until then, I will fight for you and our beloved club until my dying breath.

DISTRICT 8 DIRECTOR

Nikki Mencsik

Greetings everyone from the D8!

First I want to say congratulations to our former D8 director, Jason Scott on his new position as President of the MLRCA. I have faith that Jason will do an excellent job in helping to guide the MLRCA and its members thru our future endeavors.

Second, I would like to take a moment to introduce myself to those of you that I have not had the pleasure of meeting. I am Nikki Mencsik, proud owner and breeder of mini lops and your newly appointed D8 director. I bought my first mini lop when I was 11 years old. I raised and showed in 4H and at ARBA shows for about 13 years before having to give up my favorite hobby when I moved to go to school. Life brought me back to a place where I was able to have my beloved mini lops again about 4 years ago. I did not realize how much I had missed my rabbits and the people of the mini lop world until I was back amongst them again. After just a few years being back in the rabbit habit, it's already hard to remember a life without bunnies! I currently live in Troy, Ohio and have what I would consider a mid-sized rabbitry with about 65 holes. I raise mainly mini lops, but you will find a French, English, or American Fuzzy lop or two amongst them. I started off my second go at raising mini lops with a bang; winning BOB at Mini Lop Nationals in Sedalia, Missouri. It was bitter sweet as it was in Sedalia where I first learned of the problems the MLRCA was having with the ARBA and the charter situation.

Convention in Wichita has come and gone, and WOW what a convention! There were just shy of 1000 open mini lop, and an equally impressive number shown in youth. I was thrilled to see so many beautiful rabbits entered to represent all of our hard work over the past year. Congratulations to all of you who placed in or won classes. Special congratulations to DRD Rabbitry from Ohio for their big win, BOS with

a stunning Broken Senior Doe.

The MLRCA meet and greet was filled with excellent food, wonderful friends and great times. The banquet at the ranch was more of the same at a terrific venue. This was my first convention where I had meetings to attend. I understand the weary, drawn faces of the other directors and board members now. The meetings were far from fun, and saying the resolutions suggested by the AMLRCA and the ARBA are frustrating is putting it mildly. The AMLRC is in process of voting to allow MLRCA members a free one year membership. We have been told that our best course of action in regaining the charter is to accept the free membership and overtake the AMLRC from the inside by electing MLRCA members to their board. Our course of action has not been completely decided as of yet. We as directors **NEED TO HEAR FROM OUR MEMBERS!** Please let us know your thoughts and concerns. Ask questions, voice your opinions, and let us know what you want! The MLRCA membership is truly amazing! Email addresses and phone numbers for our directors and executive board are listed in the front of the Advocate. Reach out and let your opinions be heard!

Don't forget that MLRCA Mini Lop Nationals will be held in conjunction with the Kentucky Cup in Louisville, Kentucky on April 13, 2013. The host hotel is the Fern Valley Hotel. You can make your reservations online at www.fernvalleyhotel.com or by calling 502-964-3311. Remember to tell them you are with the Kentucky Rabbit Breeders to get your \$59 discounted room rate! There are at least 12 breed nationals at the Kentucky Cup this year. Check out their website for details <http://ksrba.webs.com/2013kentuckycup.htm>. I hope to see you all there!

Until then, I wish you all a mild winter and full nest boxes!

Nikki Mencsik, D8 Director

DISTRICT 8 YOUTH

Kyra Clark

The 2012 Convention is over and boy was it a blast! Besides competing with the youth Mini Lop Breeders from across the country I took part in the ARBA Royalty and educational contests. If you are a youth I encourage you to too participate in as many of the competitions as you can. They are tough but fun!

Since I was participating in the royalty contests my mom and I went to go see the movie Rabbit Fever. I have never been to a theater that serves you food at your seat. We had a great time and recognized some of the people that were in the movie. I enjoyed the MLRCA meet and greet. The food was great and I got a chance to put names with a couple of faces. Convention is also a great time to pick up new breeding stock, or to make arrangements to get that special breeding and do a litter split.

This year my SSB won his class which was a surprise because I wasn't going to bring him at all (I took the wrong rabbit). Hopefully next year my Does will be more competitive and have better luck with my juniors. Traveling to another part of the country is another bonus to going to convention.

On the way home from Kansas we stopped at the St. Louis Arch to stretch our legs and to get a good view of the city. We rode those little pods the whole way up to the top and took a few pictures! Already our hotel is reserved for next year! Maybe next year we can go to the Hershey chocolate factory tour since Hershey is near Harrisburg & . the home of the 2013 convention! Hope to see you all this Spring in KY and drop me an email at bjdkclark@embarqmail.com.

Sincerely,
Kyra Clark
