Letter from our President

Fellow MLRCA Members

April 25, 2014

Every time I sat down to compose this letter to the membership, a new issue arose and I had to deal with that, as I wanted to include the most current information. Here is where we stand as of this writing.

We were told we would not be allowed to have a booth at the national show in Texas. Our booth had already been purchased and paid for and the host club had no issue with us purchasing the booth space. Randy Shumaker then verbally threatened us, harassed us, harassed the hosting club, and threatened to make things even worse for the host club if we didn't cancel our booth. At this point, we decided it was unfair to put added stress on the host club and requested a refund for our booth purchase. We have since received our refund check.

Mr. Shumaker then conversed numerous times with Chris Desurra and Kevin German and drafted a letter to the AMLRC and MLRCA members. In this letter, he insinuated Chris had the full backing of our Board in making decisions regarding our club. This was a falsehood! I am also posting a copy of that letter for all of you to read. When you read the letter, please remember that the MLRCA officers and directors do not agree to nor even knew about these demands until after we received that letter. Chris assured us he informed Randy that he did not speak for the Board and therefore could not make any decisions for the Board. He encouraged Randy to make contact with me. Until recently, I was never contacted although he had my email from previous communication about concerns I had, but Mr. Shumaker never made contact with me during this

time to address any concerns or changes he came up. Recently, Mr. Shumaker did call me. Apparently, the AMLRC Board has taken issue with the MLRCA referring to our Spring National as a "National" show. They perceived this to be offensive and antagonistic in nature. The AMLRC Board also believes their national show would have had a higher number of entries if Mini Lop breeders weren't confused as to which club held the ARBA charter. We strongly disagree, as we believe the exhibitors are intelligent and understand there are two Mini Lop clubs available for them to join. They also have the ability to exhibit at one, both, or neither annual national show.

Again, we are trying to bring all Mini Lop breeders together and the Board decided this wasn't a battle worth fighting. We are going to call our 2014 annual spring show **"The MLRCA Annual Spring Show"**.

We chose this name because it lets people know the show will be held annually; the show will be held every spring; and it is going to be an "extravagant" event for all Mini Lop breeders and their families to attend! Thank you for your continued support of the MLRCA!

Sincerely,
Jason Scott, President
MLRCA

Secretary/Treasurer Report

Hello everyone, I know it has been a while since we have published an *Advocate* and I do apologize. Since we lost our charter our ability to take in sanction money is gone. The Board of the MLRCA has decided we would all perform our duties voluntarily. Thus, we had difficulty finding an editor willing to put out an *Advocate*. Our most recent editor had almost finished the newsletter when her computer was lost and with it the *Advocate*.

Luckily, Cristina Posey has volunteered and we have a new editor!

The BOD has been quiet and we are sorry for that. It is not because we are not working for you, it is because we have been fighting off the constant badgering of the ARBA liaison, who has been threatening us and trying to force us to fold. **Yes, fold, you read it correctly.** This is not hearsay or gossip as I have it in writing.

MLRCA Advocate

Mini Lop Club Newsletter

Page 2 of 8

The ARBA Board evidently sees us as a threat. They never thought we would last as long as we have. We were supposed to go away quietly. When this did not happen, they started to push harder. We can no longer have a booth at the ARBA convention; we cannot have a rabbit auction; we are not to have a banquet; and we have been denied a meeting room. (We will host our auction and benefit off-site.)

The MLRCA Board has been **singled out** even though we are ARBA members in good standing. We have not only promoted ARBA and their causes but have been the front-runners in a lot of them. I was also told that the ARBA would not allow judges to judge at any show if that club cooperates with the MLRCA. They threatened to pull their judge's licenses and not sanction the show! Yes, they would hurt the sanctioned clubs and impede on a judge's ability to earn an income in order to punish us. I also have this in writing and can prove we have received these threats! I have shared and copied this threat to the MLRCA Board.

The ARBA Board and Liaison Committee think it is only those of us on the Board who are fighting to keep our club!

They believe the membership, if polled, would tell us to fold. I believe we are doing exactly what the membership wants. We are not in competition with the ARBA chartered club and never have been. The competition is only in the minds of some of the ARBA and AMLRC Board members. This club is here to serve our members and provide them with an opportunity to further their Mini Lop experience through camaraderie because we love this breed. I encourage you to write the ARBA Board members and/or your district director and tell them to leave us alone. We are a Hobbyist Club! We are no threat to anyone. If all of you would do so and let the ARBA Board know that all they continue to do is to rub salt in an open wound, maybe they would listen. They are making matters worse instead of better. Our goal is to move forward and provide one club for all Mini Lop breeders. This will not happen until major changes are made to the constitution of the AMLRC and ARBA backs off. Let your voice be heard. Thank you.

Sincerely, Pam Celesnik

District 1 Report (Deborah McNay)

Greeting mini lop breeders.

My name is Deborah McNay and I'm the new district 1 director. I am excited to have to opportunity to serve in this position. A bit about myself. I live in Washington State east of Everett. I'm a 4H mom who kept on in rabbits after my daughter grew up and moved away. I've always loved the mini lops and fell in love with the chocolate color. I've been breeding for several year now, and my goal is to one day have a BIS chocolate.

Exciting show news around the Pacific Northwest.

Lisa Davis won 2 BIS and 1 RIS with Milkhouse Worthless Black Hole. This buck and Milkhouse Shawshank Redemption has been sweeping up a good number of BOB's.

Nicole Velotta has been sweeping her share with her beautiful doe Velotta Ivy. She has 4 BOB wins so far this year.

Daria Chappel has 3 BOB wins with her doe Velotta Elena.

News from our youth.

Alexis Maud with her mini-lops - Wilbur –

BOSB at ERBA Open Show B

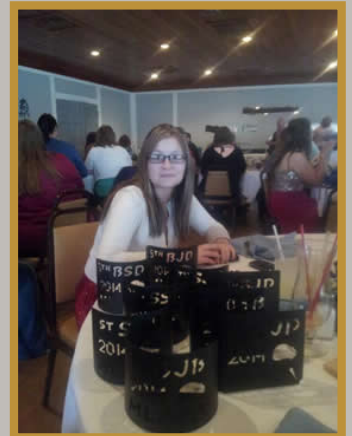

Destiny – BOB at Enumclaw Youth Show, BOV at Hermiston Open Show, BOSB Tri-Cities Open Show, BOB at Yakima Open Show.

Sugar – BOB at Bremerton Youth Show

Todd Maya went to the Gridley Ca show. He showed in youth. Show A His Solid Senior Doe won BOS. Show B his solid junior buck placed RIS. Frozen Friends show in and he showed in open. Friday night his solid junior doe won BOB. Show B his junior solid doe won BOSV. Pear Blossom show where he again competed in open. There were 4 shows and he won BOB with three different solid senior does. His Solid Senior buck also won BOS in the last show. His broken junior buck won a BOV as well that weekend. His broken senior buck won a BOSV. At WCC in the Youth show his solid senior doe a BOB, BOS, and BOSV. Yesterday in Klamath Falls his Solid senior doe took BOS, his Broken Senior doe took BOV.

I had a wonderful time at WCC this year. The entries were huge with long days in the show room. We had a wonderful group of people, which made the weekend so much fun. Congratulations to all the winners.

That's it for now. I'll try to have more news from other areas in my district next time.

District 3 Report (Pam Celesnik)

Hello District 3,
What an amazing show year this district has had. At the AMLRC Mini Lop National our district members did an extraordinary job with Travis Valadez walking away with a good many of the Awards including BOS, BIF, and Best Display! Sara & James Kitsemble took home awards also.

Next was the MLRCA "Spring Show" where District three members Sara and James Kitsemble took Home BOB as well as several other awards, Travis Valadez took home Three 1st place awards as well as others and my Grandson Dax took home a 5th place Sr doe and 10 place Sr buck.

At home our shows have been slow as many of you know there have been false rumors being sent around about our WI club despite the facts and proof to the contrary, the rumors are not based on any fact as no one has asked to see the proof the ARBA has seen it and that is all that counts. Our shows are 10 times better than they used to be with 10 better awards, we welcome any and all with open arms no matter what club you belong too.

Sincerely Pam

District 4 Report (Theresa Farrow)

This has been a year of unpredictable weather across the United States. As I sit here writing there has been bad tornados in the southeastern states, and now they are having severe floods. My thoughts and prayers go out to those in the path of these storms. I hope all of the rabbit breeders and their families made it through safe and sound.

Following are some of the show results I have.

Harris Co. RBA, 2/22 - Show A: BOB – Sheryl and Betty Valadez, BOS – Terri Snell. Show B: BOB – Theresa Farrow, BOS- Patty Patrick.

Texas Mini Lop Club, 2/22- BOB and BOS Terri Snell.

Texas Rabbit Breeders 4/11 Friday night show: BOB-Terri Snell, BOS-Sheryl and Betty Valadez

Texas Rabbit Breeders State Show 4/12: BOB – Terri Snell, BOS- Robin and Kyndel Short

Texas Rabbit Breeders 4/13 Sunday show: BOB & BOS Terri Snell

ARBA Convention will be in Fort Worth Texas Nov. 1-5. The MLRCA is recommending we use one of the ARBA group hotels as our host hotel. When making your reservations tell them you are with ARBA group to get a special rate as listed below. Cutoff date for making reservations is September 29. Courtyard by Marriot, 3150 Riverfront Dr. Ft. Worth, TX.76107, (817) 335-1300, Rates: \$109 to \$119 (ARBA group rate)

I have served as District 4 director for many years. Due to my health I will not be running again. My dear friend and fellow Mini Lop breeder, Sheryl Valadez-Vieyra will be running for District 4 director.

District 5 Report (Bonnie Bolen)

Wow, will there never be an end to this mess with ARBA, the AMLRC, and us? Since the ARBA Board rescinded our charter, we have become a Hobbyist Club. We try to do right by our members and sit in our own little corner of the world and don't bother anyone. We attempt to serve our members, publish an *Advocate*, and exhibit our Mini Lops with as little drama as possible. Why then, does the ARBA Board allow their liaison committee to harass and bully your Board? I will try to address the recent issues within our club and those issues brought on by the AMLRC Board and some members of the ARBA Board.

Since we are all volunteers now, as the club has lost the ability to collect sanction money, we have been having a difficult time finding someone to edit a newsletter for us. It is time consuming and we all have busy lives. We thought we had finally dealt with this but our most recent editor lost her computer and there went our newsletter. She no longer wished to be the editor and off we went to find another volunteer. Thankfully, Cristina Posey stepped up and we are well on our way to putting an issue of the *Advocate* on our web site. Whew, one battle won and more to address. It boggles my mind to see the harassment and bullying a Hobbyist Club continues to get from some of the ARBA Board and the ARBA Liaison Committee. Recent events should anger our members as much as it does your Board. After purchasing a booth for the ARBA convention in Texas, we were recently informed our club was not allowed to do this. Remember, the host club accepted our money and granted us a booth. At first we chose to ignore this bullying tactic but after contacting the host club and finding out pressure was being put on them, we asked for a refund. Hosting a national convention is hectic enough without added pressure.

Instead of using my entire article to explain all of the harassment and bullying tactics we have recently been dealing with, please go read the "Letter to the Membership" written by our president, Jason Scott. Also, read the letter written by Randy Shumaker (It is also available to the public on the AMLRC web site.) to the AMLRC. They are both printed elsewhere in the newsletter. I will take time to ask you to please contact the ARBA Board or your ARBA District Director and ask them to stop bullying and harassing us. Did you know some of the ARBA Board members; some of the AMLRC Board members, and the ARBA Liaison committee members think everyone involved with the MLRCA is an idiot? Yep, none of us have the intelligence to walk away from a club we love, disband, and join a club where

they have to actually use a portion of their constitution to tell their members to be nice to one another. How ridiculous is that? They also believe you do not know which Mini Lop club holds the ARBA charter. They believe you are not aware that both the MLRCA and the AMLRC host a national show. (Read more about this issue in the "Letter to the Members".) Did you know the AMLRC Constitution and By Laws deny the rights of past MLRCA Board members to take out a petition for office without approval by a special committee? Did you know the C & BL's of the AMLRC states, "The AMLRC will not be associated with the MLRCA"? Do you realize that ARBA granted a charter to the AMLRC even though these statements were in their C & BL's? Were you aware an ARBA Board member assisted the AMLRC Board in petitioning for a charter and constructing their C & BL's? Do you understand ARBA has become a dictatorship? Are you aware the ARBA Liaison Committee has threatened to rescind the memberships of your MLRCA Board members? Would you like to be dealing with threats, harassment, rudeness, and verbal abuse at local shows, which are coming from some of the ARBA Board and most of the AMLRC Board? Well, some of our officers and directors got tired of it, too, and resigned their MLRCA office/director position. They still support the MLRCA but by resigning they have taken away the burden of dealing with these issues. Does this make you angry? It should make you angry enough to write a letter or send an email to all, or any, of the following: the ARBA Board; your ARBA District Director; and the AMLRC Board insisting they leave the MLRCA Hobbyist Club alone and stop bullying your Board members.

Now, on to club business of a lighter nature... we will host our Annual Meeting, a Fun Auction, and a Banquet (off-site) during the convention in Texas. We will do our best to get the information of when and where to all of our loyal members. We plan on having a great time relaxing with fellow breeders and friends. Please plan on attending, supporting the auction, and laughing until your sides hurt.

Tracy Harmon has resigned as Vice-president and Kassi Sieber-Laughlin has accepted an appointment to that position. Theresa Farrow, District 4 Director will not be taking out a petition for district director next year. We will miss her cool-headedness, her words of wisdom, and her dedication to the club. Please thank her for her years of service the next time you see her. Rusty Westhoff has resigned as a director. We thank him for his dedication to the club and his service to the members. Deborah McNay has accepted an appointment as District 1 Director.

Cristina Posey is the new editor for our newsletter, *The Advocate*. I am sure she would appreciate hearing from you and/or receiving an article for publication or brags about winnings. Take photos and email them to her. The more people involved in this, the better our *Advocate* will be. You may contact her at: cristinaposey@yahoo.ca. (That is not a typo...it is @yahoo.ca).

I hope all of you received and read the contents of the "Constitution Packet". We will vote on the proposed C & BL's at our annual meeting in Texas. Our previous C & BL's was obsolete and we sent all members copies of the proposed C & BL's, the present C & BL's, and a cover letter. If you have any questions, please contact your District Director or any Board member.

When I agreed to accept the appointment as District 5 Director, I vowed to do what was best for the members and the MLRCA as a whole. I will continue my battle as long as I am physically and mentally able. I believe in you, your intelligence, your dedication, your love of the Mini Lop breed, and I believe in our strength as a club.

District 7 Report (Neal Burgoyne)

Good morning to all my fellow District 7 Mini Loppers. Hoping this will find you all with nest boxes full of Convention hopefuls. I know it has been a long hard winter for most of us, and for some of us these may be the first babies we have seen since last year.

I do know we have one member from NY who has been tearing up the show tables. Jake Weber may be a youth but he goes up against the open breeders and wins, frequently. He won several BISs last fall, and most recently at the PaSRBA Convention he won two BOBs, two BOSBs and on Saturday he won Group 4 with the SSB Park Hills Toby Keith. Congratulations to Jake on a great start to the 2014 show season.

Unfortunately our District is lagging behind the other Districts in memberships. I would like to encourage everyone while you are at the shows and you see other Mini Lop breeders to encourage them to join the MLRCA. It only takes a minute to speak to the, and hand them a membership application. Keep your eyes on this column because I plan on keeping track of new memberships in our District & will award the current member who refers the most new paid memberships.

I would like to start off by congratulating all of the MLRCA members on an amazing ARBA Convention, especially to our president Jason Scott winning Best of Breed with an outstanding junior buck. District Seven was well represented with several top 20 placings in some very deep and impressive classes. For myself as a first time Convention attendee it certainly was an experience I will never forget, and I am already making plans and looking forward to Texas this year.

As far as show reports go, I wasn't able to attend many shows last fall between getting married and moving to Vermont, I couldn't fit too much else into my schedule. Hoping to get out this spring and represent the MLRCA in our district.

*"I am always available
to talk Mini Lops, you
can find me on
Facebook or by email

- Neal Burgoyne

Also while you are showing make sure when you get your show reports to send them in either online or in the mail to Kassi Sieber to record your contest points. It only costs \$1 per show and it is well worth it to make sure you get the credit for your show table win.

In closing I just want to wish all of you a great breeding and show season and I hope to meet all of you at some point this year. Please feel free to share any news from your area whether it is show news, or just a tidbit from your rabbitry that you would like to have included in the Advocate. This column belongs to all of you as much as it does to me.

District 8 Report (Nikki Mencsik)

Hello D8! By the time this article gets to you the MLRCA Annual Spring Show will have come and gone. As I write this many of you are making your final entry changes and making your lists of what to pack for your trip to Coldwater, MI. I expect the weekend will be filled with good fun and good friends. The Michigan Mini Lop Club is an exceptional group that will treat all of you attending to an amazing experience. I look forward to seeing all of your posts on Facebook to keep those of us who cannot attend updated on the show results.

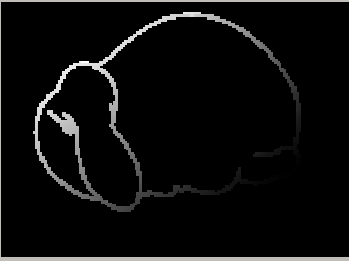

The Ohio State Rabbit Breeders Association's yearly mini convention was another great success this year. OSRBA hosted 11 breed nationals on Saturday as well as an all breed show on Sunday. We had an impressive turn out of mini lops for the Ohio Mini Lop Rabbit Club's double specialty show on Saturday. I spent part of the day writing for Kyle Yacobucci as he judged our open show B. The quality of the mini lops coming across the table was exceptional!

I would also like to take a moment to acknowledge one of D8's most influential breeders, and long time MLRCA supporter. Claire Howman. Claire announced earlier this spring that he would not be running for the OSRBA presidency in the upcoming election. Claire has been instrumental in making the OSRBA mini convention the well-run show that we know and appreciate. Claire was presented with the ARBA's Distinguished Service Award at mini convention this year, and I couldn't think of anyone who is more deserving of this award. Thank you Claire for your endless hours of hard work that have ensured success for the ARBA Convention and the OSRBA Mini Convention for so many years.

In regards to MLRCA news, the ARBA continues to pressure our directors and executive board to fold our club. They have prohibited us from having a booth at the upcoming ARBA Convention and have threatened repercussions if we hold a class auction, a rabbit auction, host a banquet or hold a meeting. As members of the MLRCA, your board is continuing to ask for input from you, the membership, as to the direction you wish our club to take. We are continuing to plan events for Texas, but will have to carefully choose wording for any informative flyers we post. We were forced by the ARBA to change the name of our spring nationals as they felt it was causing too much confusion among the breeders. Our spring show will simply be the MLRCA Annual Spring Show and we will not advertise our spring show as being a national show. We continue to encourage you to join the AMLRC and vote for the members who are running for office in order to help make changes in that club. If you have the time to write a letter with any concerns you have in regards to the AMLRC, please make sure you email the ARBA Vice President Randy Shumaker. If you have any questions or concerns, feel free to email me at ThreeHaresRabbitry@yahoo.com, message me on Facebook or you can call or text 614-439-3442. I will always make time to address your concerns!

In the mean time, I hope your nest boxes are filling up fast with your juniors for Texas!
Best Wishes,
Nikki Mencsik

Kevin German, AMLRC President
600 Ruben Cave Rd

Dear Kevin:

On behalf of the ARBA Board I would like to applaud and thank you for your tremendous progress since the PA Convention on bringing Mini Lop breeders together under one club. We are very optimistic your efforts will greatly reduce the animosity between the two factions, and further everyone's goal of one Mini Lop Club. With this in mind, I would like to offer the following in writing as to the position of the ARBA Board on this matter:

* If the AMLRC agrees to put Chris DeSurra on the AMLRC Board of Directors in some capacity as either a Director or Officer, The ARBA along with the the MLRCA, and Chris DeSurra will drop any complaints they have against the AMLRC. In addition, the ARBA and the ARBA CLC will heavily scrutinize any future complaints against the AMLRC, and give every opportunity to the AMLRC to resolve any situation before it rises to the complaint level.

*You will, as you have committed, appoint Judy Todd to the position of AMLRC Secretary.

*The ARBA will then remove the AMLRC from probation and thus renew the AMLRC Charter.

*The ARBA will work with all parties to **ensure** that the MLRCA no longer has a booth at ARBA Conventions, and no longer holds any auctions/fund raisers at the Convention.

*The ARBA will work to eliminate any future spring MLRCA National Shows, and if we are unable to prevent it, will support AMLRC actions to not sanction such a show with the AMLRC.

In closing, we appreciate the efforts of ALL AMLRC board members in finding a path forward toward our common goal of one, all inclusive, Mini Lop Club. We realize the road has not been an easy one, but you will continue to have our full support.

We strongly feel better days are ahead for the AMLRC and the Mini Lop breed!

Sincerely,

Randy Shumaker
